ORDERING INFORMATION

How to get the publications you want that are recorded in the *Checklist*.

Please note the difference between ordering paper copies of North Carolina state publications to keep and requesting paper copies on interlibrary loan.

To request copies to keep, contact the issuing agency, not the State Library: Write or call the issuing state agency directly. Links to state agency telephone and address information may be found on the Checklist web page: <http://statelibrary.dcr.state.nc.us/stdocs/cheklist.htm>. Some publications are not free.

To request copies on interlibrary loan from the State Library: Send a request to the State Library using the OCLC ILL Subsystem.
